

Running Start Book Assistance Application

Good for one academic year

Name _____
Last First M.I. Highline College ID Number

To Qualify

The Running Start Book Assistance program is available to students who qualify for the free or reduced lunch program at their school district.

To Apply

Complete this application and the Running Start Book form. On the Running Start Book form list the classes you are enrolled in, required textbooks, and the costs of the books. When used books are available, the cost of these books must be entered.

Submit your application and book form to the High School Programs office. Your application will be reviewed.

Co-payments and Assistance

If your application is accepted, you will pay a \$75 co-payment to the cashier in registration. Bring the receipt to the High School Programs office to open a Highline Community College Bookstore account. Under the book program we will contribute a maximum of \$75 towards your required textbooks. We are unable to cover supplies, optional textbooks, or books for additional courses taken.

To Remain Eligible

You must complete all the classes you registered for and maintain a cumulative 2.0 gpa at Highline Community College.

Purchasing Books

Please do not purchase your books prior to qualifying for the Running Start Book Assistance Program, as we are unable to issue refunds.

Book accounts will be activated two weeks prior to the start of the quarter and will close two weeks after the start of the quarter.

Present your HCC Student ID card to the Bookstore cashier when purchasing your textbooks.

Caution

Do not sell your book(s) back if you will need it in a future quarter as we will not be able to assist you in getting another book.

I have read the Running Start Book Assistance program procedures. If inappropriate items are purchased, I will be responsible for payment. If I have an outstanding balance, I understand my grades will be held and I will be blocked from registering in future quarters.

Student signature Date

To be completed by your high school's Running Start Coordinator

I certify that this student qualifies for the free or reduced lunch program at our school district.
